

ALUMNI PROGRAM

CUSTOMIZED ALUMNI TRAVEL OPPORTUNITIES FOR CATHOLIC COLLEGES AND UNIVERSITIES

FULLY CUSTOMIZED ITINERARIES.

Each Alumni Tour is prepared from the ground up, individually designed to fit the needs of your group. With your group's preferences as our guidelines, we arrange for all that is necessary to make your trip an unforgettable and spiritually-enriching experience.

COLORFUL AND EXCITING DESTINATIONS.

So many travel destinations! Where to go? Whether you know exactly where your group would like to go or you are completely open to suggestions, our team will work with you and put together a unique and memorable tour that will rekindle and sustain the Alumni's social and spiritual relationship with their Alma Mater.

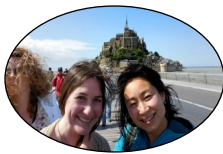

CORNERSTONE SAINTS AND SIGNIFICANT CATHOLIC SHRINES.

Follow in the footsteps of the saints, pray where the Blessed Mother appeared, witness the Faith of our fathers as you marvel at the breathtaking beauty and architecture of major Catholic shrines. Our Alumni Tours are designed to help travelers grow in love and appreciation for their Catholic heritage.

BENEFIT YOUR ALMA MATER.

Combining travel and fundraising is a unique and rewarding way to benefit your institution. But more important than revenue generation, fundraising strengthens the bonds between Alumni and their Alma Mater, and helps towards its development. With our Alumni Program, we will work with you to establish your fundraising goals.

HIGH-VALUE PACKAGES.

The combination of customized, fully-escorted travel to religious and cultural sites of your choice, the possibility of fundraising to benefit your Alma Mater, and our extensive knowledge in the field of Catholicism and religious sites, makes Catholic Heritage Tours the ideal choice for Alumni group travel.

HASSLE-FREE TRIP PLANNING.

We do all of the legwork and handle all registrations and payments here in our office. Your only "to do" is to encourage Alumni to join! This can be done through your standard Alumni communication tools. We provide all the digital and printed materials to help promote and form your group!

FREE TRAVEL.

In exchange for their help in planning and promoting the trip, the Alumni Director or whomever he/she designates, can travel for free!
